WHEREAS, Deborah Mellin (hereinafter "respondent") of Westbrook, Connecticut has been issued license number R32780 to practice as a registered nurse by the Department of Public Health (hereinafter "the Department") pursuant to Chapter 378 of the General Statutes of Connecticut, as amended; and,

WHEREAS, the Department alleges that:

2. Respondent continued to yell at resident O. F. while walking up and down the hall slamming doors to other residents' rooms.
3. The above described facts constitute grounds for disciplinary action pursuant to the General Statutes of Connecticut, §20-99(b), including but not limited to §20-99(b)(2).

WHEREAS, respondent, in consideration of this Consent Order, has chosen not to contest the above allegations at a hearing in front of the Board of Examiners for Nursing (hereinafter "the Board").

 - (1) The evaluator's report shall include an opinion regarding whether respondent is able to practice nursing with reasonable skill and safety under the terms and conditions set forth in this Consent Order.

- (2) If the evaluator's report does not conclude that respondent is able to practice nursing with reasonable skill and safety under the terms and conditions set forth in this Consent Order, that fact shall constitute a violation of this Consent Order.
- B. If therapy is recommended by the evaluator(s), at her own expense, respondent shall engage in therapy and counseling with a Connecticut licensed or certified therapist (hereinafter "therapist") approved by the Board and the Department for the period of time recommended by the evaluator(s).
- (1) She shall provide a copy of this Consent Order to her therapist.
 - (2) Her therapist shall furnish written confirmation to the Board and the Department of his/her engagement in that capacity and receipt of a copy of this Consent Order within fifteen (15) days of the effective date of this Consent Order.
 - (3) If respondent's therapist determines that therapy is no longer necessary, that a reduction in frequency of therapy is warranted, or that respondent should be transferred to another therapist, he/she shall advise the Board and the Department. Said termination of therapy, reduction in frequency of therapy, and/or respondent's transfer to another therapist shall not occur until approved by the Board after consultation with the Department.
 - (4) The therapist shall immediately notify the Board and the Department in writing if respondent discontinues therapy and/or terminates his/her services.
- C. Respondent shall be responsible for the provision of written reports from her therapist monthly for the entire probationary period. Such reports shall include documentation of

If respondent pursues further training in any subject area that is regulated by the Department, respondent shall provide a copy of this Consent Order to the educational institution or, if not an institution, to respondent's instructor. 4. Any violation of the terms of this Consent Order without prior written approval by the Board shall constitute grounds for the Department to seek revocation of the respondent's nursing license following notice and an opportunity to be heard.
5. Any extension of time or grace period for reporting granted by the Board shall not be a waiver or preclude the Board's right to take action at a later time. The Board shall not be required to grant future extensions of time or grace periods.
6. Legal notice of any action shall be deemed sufficient if sent to respondent's last known address of record reported to the Licensure and Registration Section of the Division of Health Systems Regulation of the Department.

10. In the event respondent violates a term of this Consent Order, respondent agrees immediately to refrain from practicing as a registered nurse, upon request by the Department, with notice to the Board, for a period not to exceed 45 days. During that time period, respondent further agrees to cooperate with the Department in its investigation of the violation, and to submit to and complete a medical, psychiatric or psychological evaluation, if requested to do so by the Department; and, that the results of the evaluation shall be submitted directly to the Department. Respondent further agrees that failure to cooperate with the Department in its investigation during said 45 day period shall constitute grounds for the Department to seek a summary suspension of respondent's license. In any such summary action, respondent stipulates that her failure to cooperate with the Department's investigation shall be considered by the Board and shall be given due weight by the Board in determining whether her conduct constitutes a clear and immediate danger as required pursuant to Connecticut General Statutes, sections 4-182(c) and 19a-17(c). The Department and respondent understand that the Board has complete and final discretion as to whether a summary suspension is ordered.
11. In the event respondent violates any term of this Consent Order, said violation may also constitute grounds for the Department to seek a summary suspension of her license before the Board.
12. This Consent Order and terms set forth herein are not subject to reconsideration, collateral attack or judicial review under any form or in any forum. Further, this Consent Order is not subject to appeal or review under the provisions of Chapters 54 and 368a of the General Statutes of Connecticut, provided that this stipulation shall not deprive respondent of any other rights that she may have under the laws of the State of Connecticut or of the United States.

13. Respondent permits a representative of the Department to present this Consent Order and the factual basis for this Consent Order to the Board. The Department and respondent understand that the Board has complete and final discretion as to whether an executed Consent Order is approved or accepted.
